# OFFICE ORDER

**Sub: Mandatory Survey and Removal of Dangerous Trees within respective jurisdiction of all concerned.**

In view of the upcoming monsoon season and to ensure the safety of the public and infrastructure, it is hereby instructed to all the concerned Executive Engineers (EEs), Superintending Engineers (SEs), and Deputy Directors (DD) of Horticulture to carry out an immediate survey of dangerous trees.

The following instructions are issued for strict and time-bound compliance:

- **Survey & Certification:** A thorough inspection of all areas under the jurisdiction of all concerned EEs/SEs/DDH must be immediately conducted. A formal certificate stating that **"no dangerous tree is present in their jurisdiction"** must be submitted to the respective Chief Engineers by **May 15, 2026**.
- **Identification & Documentation:** If dangerous trees are identified, they must be listed immediately with their exact **location jurisdiction-wise** by all concerned officer and the specific **nature of the hazard should also be specified**.
- **Intimation of Timeline:** For all identified trees, the EE shall intimate a clear timeline for removal to their respective Chief Engineer, ensuring all procedures as per the prevailing Forest Department rules.
- **Final Execution:** The removal of all such identified dangerous trees must be completed and ensured by **May 31, 2026**.

Failure to provide the required certificate or complete removal of dangerous trees within the stipulated timeline will lead to personal accountability of the concerned officer in the event of any mishap.

This is issued with the approval of Pr. CE (M&H), PWD, GNCTD.
