OFFICE MEMORANDUM

The MCD vide its letter dated 24.01.2025 (copy enclosed) has informed that:

(i) Ministry of Housing and Urban Affairs (MoHUA) (SBM Division) is regularly fixing, Annual Off-take Targets for Construction & Demolition (C&D) Waste Recycled Products for Government Departments and Agencies in Delhi NCR.

(ii) M/s Uttar Dilli C&D Waste Recycling Private Limited has set up four plants having a total processing capacity of 4150 TPD and M/s Rise Eleven Delhi Waste Management Co. has setup one plant of processing capacity of 1000 TPD in Delhi for Collection, Transportation, Processing and Disposal of C&D Waste under jurisdiction of Municipal Corporation of Delhi.

(iii) The above plants are manufacturing various recycled products from C&D Waste i.e. Recycled Aggregates, M-Sand, Soil, Interlocking Paver Blocks, Kerb Stones, CC Blocks and CC Bricks.

(iv) As per clause 9(4) of C&D 2016 "Procurement of Materials made from Construction and Demolition Waste shall be made mandatory to a certain percentage (say 10- 20%) in Municipal and Government contracts subject to strict quality control".

2. Materials such as Interlocking Paver Blocks, Kerb Stones, Recycled Aggregate, M-Sand & Soil can be utilized in footpath works. Similarly, material such as CC Block, CC Bricks, Recycled Aggregates, M-Sand & Soil can be used in Building Works.

3. CPWD in DSR 2023 has already included the estimated cost of these Recycled products.

4. It is therefore directed that all the New Tenders for footpath and building works mandatorily utilize 10% of above-mentioned products. Before Payment to Contractors, documentary proof of purchasing of the recycled material from C&D Waste Plants of MCD for the work must necessarily be ensured.

यह कार्यालय ज्ञापन प्रमुख अभियंता लो0नि0वि0 के अनुमोदन से जारी किया जाता है।

- Bakkarwala: Site CD-1, Near Shani Mandir, New Delhi-110041.

As site

2

In order to make Delhi cleaner, hygienic, to reduce air pollution and for Conservation of Environment, the Recycled Products are being produced and shall be utilized as per rules / guidelines of C&D Waste Management Rules 2016. As per clause 9(4) of C&D Waste Management rules 2016 "*Procurement of Materials made from Construction and Demolition Waste shall be made mandatory to a certain percentage (say 10-20%) in Municipal and Government contracts subject to strict quality control*".

It is, therefore, requested that instructions may be issued to all concerned in your organization to ensure that the contractors engaged for different projects shall buy Aggregates, Sand and Value-added products. Also, the tenders for works in all departments shall specifically incorporate the above guidelines for using C&D Waste for their construction projects. It may also be ensured that C&D Waste generated from various projects be dumped to above mentioned C&D Waste Processing Plants.
