OFFICE ORDER

Sub: Verification, Validation and updating of PWD Road Asset Data on GSDL's Road Asset Updating System (RAUS) Portal.

GSDL has developed and operationalized the Road Asset Updating System (RAUS) portal. The Portal technically supports the Road owning Agencies (ROAs) of the GNCTD in uploading and updating road stretch data sets (Both geometry and attributes) on-line in the GSDL database.

Although certain data of roads have been updated on the portal, there has been a need to check their completeness/authenticity and issue of certificate by concerned EEs(C/E) of roads. Besides certain length of road are yet to be updated on the RAUS portal thereby need for uploading details of all such left out roads under PWD.

There are 18 mandatory attributes as per Annexure-II attached which needs to be updated over the RAUS portal.

Since, there is lot of focus on updating of roads details over RAUS portal, a dedicated GIS Cell including a representative Sh. Nandan Singh of GSDL (Mobile No: 8860411048) at 13th Floor, MSO Building has been established for the purpose.

Accordingly, the concerned EE (C/E) of each division, as per schedule attached under Annexure-I, is hereby directed to come up with details as per Annexure-II and get the same updated at 13th Floor, MSO Building in assistance of the undersigned without fail and in a time bound manner.

This issue with approval of E-in-C, PWD, GNCTD.
