No.PWDS/20/2026-Works-PWD SECRETARIAT/E-349062/4285-4293 Dated: 23.09.2026

**ORDER**

**Sub: Responsibility of Junior Engineers Road Maintenance Division, relating to Maintenance of National Flags in GNCTD**

PWD, Delhi is entrusted with the maintenance of 500 Flags installed at various locations across Delhi. A list of locations where the National Flags are being maintained by PWD is enclosed herewith for ready reference. Against each location where the National Flag is hoisted, the name of the concerned Zone, Circle, Division, Sub-Division and Junior Engineer (JE) of the Road Maintenance Division has been indicated.

2 It has been observed that complaints relating to the maintenance of National Flags are frequently received from the general public through various social media platforms, including WhatsApp, Facebook, X (formerly Twitter), SMS and telephonic communications at the PWD Helpline No. 1908 and Alternate Helpline No. 011-23490323.

3. It has however, been observed that such complaints are sometimes not promptly brought to the notice of the concerned **Flag Maintenance Agency/Team** for necessary action. This results in avoidable delays and may create an unpleasant situation for the Department. Delayed receipt of information through social media or other indirect sources may also adversely affect the timely rectification of defects relating to the National Flags.

4. It has therefore been decided that the **concerned Junior Engineer** as per the Enclosed List shall remain vigilant and immediately report any complaint/ defect noticed in respect of the National Flag at the location against which his name is indicated, to the PWD Helpline No. 1908 or 011-23490323 so as to ensure that defective flags are replaced before the same is reported by general public or uploaded on social media.

5. This issues with the approval of Pr. Secretary(PWD), GNCTD
